

Icelandic guidelines

- Folic acid. Prevention in pregnancy, 2004
- Hormone replacement therapy at the menopause, 2004
- Guidelines for selecting appropriate place for delivery, 2007
- Air ambulance transport of pregnant women and newborns., 2007
- Diagnosis and treatment of urinary infections in pregnancy, 2008
- Chlamydia infections, 2009
- Antenatal care, 2010
- Gestational diabetes, 2012

Finish guidelines

- Ectopic pregnancy, October 2014
- Preterm delivery, January 2011
- Post coital contraception, November 2010 (will be taken off our webpages, as topic is covered in new guideline Pregnancy contraception, which will be out later this year)
- Cellular changes in the cervix, vagina and outer genitalia (i.e. "PAP-smear guideline"), June 2010
- Corticosteroid treatment in imminent preterm birth, May 2009 (this is an old small guideline and will be included in Preterm delivery once that is updated for the next time)
- Exercise, June 2012 Ovarian cancer, April 2012
- Termination of pregnancy, February 2013
- Gestational diabetes, June 2013
- Polymenorrhagia, November 2009
- Sexually transmitted disease, June 2010
- Female urinary incontinence, December 2011
- Contraception - including Emergency Contraception, November 2015

Danish guidelines - obstetrics

- Air travel and pregnancy, 2006
- Amnioinfusion, 2008
- Anal sphincter lacerations – treatment and follow up, 2011
- Anal sphincter lacerations, prevention, 2015
- Antibiotics, 2012
- Asphyxia/acidosis during labor, 2010
- Assisted vaginal delivery, 2015
- Augmentation of labor contractions, 2005
- Bacterial vaginosis and pregnancy – risk of spontaneous preterm birth, 2015
- Biochemical reference intervals during pregnancy, 2010
- Bowel disease in pregnancy, 2004
- Breech presentation, 2011
- Breech presentation - external version, 2003
- Maternal bariatric surgery, 2012
- Cancer and pregnancy, 2015
- Cesarean section, acute, 2009
- Cesarean section, prior, 2013

Titles of gynecological and obstetric guidelines in the Nordic countries (updated October 2015)

- Cesarean section, maternal request, 2006
- Cesarean section, operative techniques, 2015
- Cerclage, 2012
- Cervix scanning in singleton pregnancies, 2014
- Doppler flow in the uterine artery, 2013
- Diabetes - gestational: screening and diagnosis, 2014
- Diabetes - gestational: treatment, 2017
- Diabetes – gestational: Danish Health and Medicines Authority
- Diabetes – pregestational: Danish Health and Medicines Authority
- Vitamin D deficiency, 2013
- Dystocia, 2015
- Epidural analgesia, 2011
- Epilepsy and pregnancy, 2010
- Electro-surgery and pregnancy, 2014
- Exercise and pregnancy, 2008
- Exposed pregnant women, 2014
- Fever during labor, 2003
- Fetal-maternal hemorrhage, 2010
- Fetal macrosomia, 2008
- GBS, group B streptococcus syndrome, 2012
- Infections – puerperal, 2007
- Intrahepatic cholestasis of pregnancy, 2008
- Heart disease in pregnancy, 2011
- Herpes – pregnancy and birth, 2001
- Kidney disease in pregnancy, 2011
- Hyperemesis gravidarum, 2013
- Fetal death, 2014
- Fetal growth restriction – prognosis, 2000
- Fetal growth restriction, 2014
- Fetal movements, 2006
- Multiple sclerosis, 2007
- Nitrous oxide during labor – status document, 2015
- NSAID and pregnancy, 2009
- Oligohydramnios, 2012
- Oronasopharyngeal suction, 2013
- Overweight in pregnancy, 2012
- Oxytocin, 2013
- Parvovirus B19 in pregnancy, 2008
- PCOS and pregnancy, 2014
- Placental pathology, 2013
- Placenta previa, 2008
- Polyhydramnios, 2003
- Preterm delivery, 2010
- Preterm delivery, 2001
- Preterm delivery, how to deliver, 2007

Titles of gynecological and obstetric guidelines in the Nordic countries (updated October 2015)

- Preterm delivery, information, 2007
- Progesterone and preterm delivery, 2013
- PROM, 2009
- PPROM, 2009
- Preeclampsia and gestational hypertension, 2012
- Previous traumatic birth, 2013
- Postterm pregnancy, 2011
- Retained products after delivery, 2014
- Resuscitation of the obstetrical patient, 2013
- Scalp pH/lactate, 2010
- Spinal analgesia – blood pressure, 2003
- STAN, 2008
- SSRI in pregnancy, 2009
- Term of pregnancy – definition, 2009
- Thrombocytopenia, 2011
- Thrombocytopenia, neonatal alloimmune, 2006
- Thrombophilia and antiphospholipid syndrome, 2006/2014
- Thyroid disease in pregnancy, 2008
- Tocolysis, 2013
- Twin pregnancy, 2010
- Ultrasound examination during labor – status document, 2011
- Umbilical cord clamping, 2010

Danish guidelines – urogynecology

- Stress incontinence – surgical treatment, 2012
- Urethral diverticula, 2014
- Urinary incontinence – advanced diagnosing, 2011
- Urinary incontinence – nonsurgical treatment, 2010
- Urinary incontinence – medical treatment, 2010

Danish guidelines – contraception

- Barrier method, 2009 & 2015
- Gestagen – parenteral, 2009 & 2015
- IUD - copper, 2009 & 2015
- IUD – gestagen, 2009 & 2015
- IUD – mislocated, 2014
- Sterilization, 2009 & 2015
- Emergency contraception, 2009 & 2015
- Natural contraception, 2015
- Oral contraceptive – general, 2015
- Oral contraceptives and cancer, 2009 & 2015
- Oral contraceptives and thrombosis, 2012 & 2015
- Oral contraceptives, adverse effects, 2013
- Vaginal ring, 2009 & 2015
- Transdermal contraceptive patch, 2009 & 2015

Danish guidelines – endocrinology

- PCOS, 2014 & 2015
- Hyperprolactinemia, 2007 and 2015
- Local hormone therapy – systemic effects, 2012
- Tamoxifen, Raloxifen Letrozol, 2011
- Hormonal replacement therapy, 2013
- Premature ovarian insufficiency, 2013
- Osteoporosis, 2014

Danish guidelines - Early pregnancy

- Miscarriages – recurrent, 2009
- Medical abortion, 2014
- Surgical abortion, 2013
- Miscarriage, first trimester, 2013
- Miscarriage, second trimester, 2012
- Asherman's syndrome – prevention, 2012
- Ectopic pregnancy, 2010
- Trophoblastic disease, 2014

Danish guidelines - Vulva

- Vulvodynia. 2009
- Lichen sclerosus, 2012
- Labia reduction, 2011
- Lichen planus, 2012

Danish guidelines – cervix

- HPV vaccination, 2014
- Cervical neoplasia – low grade, 2012
- Cervical neoplasia – national screening program, 2012

Danish guidelines – Salpinx

- Salpingectomy in case of hysterectomy for benign condition (2014)

Danish guidelines – Ovaries

- Tubo-ovarian abscesses – treatment (2009)
- Ovarian cysts – management (2009)
- Adnexal torsion (2012)
- Oophorectomy in case of hysterectomy for benign condition (2015)

Danish guidelines – Endometriosis

- Endometriosis - diagnosing (2013)
- Endometriosis – treatment of peritoneal endometriosis (2013)
- Endometrioma in women with actual wish of becoming pregnant (2009)
- Endometrioma in women without actual wish of becoming pregnant (2009)

Danish guidelines – Hysterectomy, hysteroscopy, fibroma, endometrium, polyps

- Hysterectomy – benign indication (2011)

Titles of gynecological and obstetric guidelines in the Nordic countries (updated October 2015)

- Hysterectomy – complications (2008)
- Mini-hysteroscopy (2011)
- Endometrial ablation – 1. G methods (2011)
- Endometrial ablation – 2. G methods (2013)
- Fibromyoma – treatment (2014)
- HNPCC risk patients (2008)
- Lynch syndrome and gynecological cancer (2015)

Danish guidelines – Gynecological surgery

- Outpatient surgery - identification of candidates (2009)
- Outpatient surgery – anesthesia and pain relief (2009)
- Outpatient surgery – prophylaxis against thromboembolism (2009)
- Coagulation disorders I gynecological patients (2005)
- Infections in gynecology (2015)
- Adhesions – prevention (2014)
- Laparoscopy – clinical practical guideline

Danish guidelines – Sexology and rape

- Sexology in gynecology (2009)
- Rape (2012)

Danish guidelines – Fertility

- Andrology (2014)
- Male infertility – treatment (2007)
- BMI and fertility (2013)
- Endometriosis and fertility (2011)
- cryopreserved embryos (2007)
- Preservation of fertility in female cancer (2015)
- HIV, Hepatitis B & C – fertility treatment (2010)
- Indication for IVF and ICSI (2006)
- Infertility – tubal surgery (2009)
- Infertility – polyps and fibromyoma (2009)
- Infertility – tubal and uterine causes
- IUI-H (2007)
- IUI-D (2008)
- IVF and ICSI (2006)
- Infertility – surgery
- Cryopreservation of ovarian tissue (2013)
- Oocyte – donor (2014)
- OHSS (2013)
- Infertility – psychosocial aspects (2006)
- Infertility – diagnosis of tubal and uterine causes (2009)
- Infertility – male factor (2007)

Danish guidelines – Fetal medicine

- Twins – MCMA (2015)

Titles of gynecological and obstetric guidelines in the Nordic countries (updated October 2015)

- Fetal arrhythmias
- Fetal gender determination (2015)
- Gastroschisis (2014)
- Prenatal counseling (2014)
- Cervical length – screening in singleton pregnancies (2013)
- Prenatal array-CGH (2013)

Danish guidelines – Gynecological oncology

- Cervical cancer (2013)
- Endometrial cancer (2010)
- Ovarian cancer (2014)
- Trophoblastic tumor (2014)
- Vulvar cancer (2015)

Norwegian guidelines – obstetrics - 2014

These chapters are in Norwegian. About half of these chapters has recently been translated into English.

- Chapter 1 Prenatal care (Svangerskapsomsorg)
- Chapter 2 Vaccination and Pregnancy (Vaksinasjon og graviditet)
- Chapter 3 A Drug, alcohol and tobacco abuse in pregnancy (Rus-, røyk- og legemiddelmisbruk i svangerskapet)
- Chapter 3 B Drug use in pregnancy and lactation (Legemiddelbruk i svangerskapet og ammeperioden)
- Chapter 4 Ultrasound in prenatal care (Ultralydundersøkelser i den alminnelige svangerskapsomsorgen)
- Chapter 5 Prenatal screening and diagnostic testing (Prenatal diagnostikk)
- Chapter 6 Female genital mutilation (Kvinnelig omskjæring (kjønnslemlestelse))
- Chapter 7 Emesis and hyperemesis gravidarum (Emesis og hyperemesis gravidarum)
- Chapter 8 A Pregestational diabetes type 1 and 2 (Pregestasjonell diabetes (type 1 og type 2))
- Chapter 8 B Gestational diabetes (Svangerskapsdiabetes)
- Chapter 9 Epilepsy in pregnancy (Epilepsi og svangerskap)
- Chapter 10 Bacterial infection in pregnancy (Bakterielle infeksjoner hos gravid)
- Chapter 11 Group B Streptococcus Infection in Pregnancy (Gruppe B streptokokker hos gravide og fødende)
- Chapter 12 Viral infections and Pregnancy (Virale infeksjoner hos gravide)
- Chapter 13 Thyroid disease in pregnancy (Tyreoideasykdommer under graviditet og fødsel)
- Chapter 14 Anemia in pregnancy (Anemi og graviditet)
- Chapter 15 Obesity and pregnancy (Adipositas og svangerskap/fødsel)
- Chapter 16 Inflammatory rheumatic disease and collagenosis (Inflammatoriske revmatiske sykdommer og kollagenoser)
- Chapter 17 Premalignant and malignant changes in the pregnant cervix (Premaligne og maligne forandringer i cervix i graviditet)
- Chapter 18 Pelvic girdle pain (Bekkenleddsmerter (symptomgivende bekkenløsning, bekkenleddsyndrom))

Titles of gynecological and obstetric guidelines in the Nordic countries (updated October 2015)

- Chapter 19 Thrombosis, anticoagulant therapy and pregnancy (Trombose, antikoagulasjon og svangerskap)
- Chapter 20 Immunisation (Immunisering)
- Chapter 21 Cholestasis of pregnancy (Intrahepatisksvangerskapskolestase)
- Chapter 22 Preterm and premature rupture of membranes (Preterm vannavgang (PPROM) og primær vannavgang ved/nær termin (PROM))
- Chapter 23 Premature labour (Truende for tidlig fødsel)
- Chapter 24 Intrapartum fever and chorioamnionitis (Feber under fødsel og chorioamnionitt)
- Chapter 25 Antepartum fetal surveillance (CTG før fødsel og innkomst-CTG)
- Chapter 26 Intrapartum fetal surveillance, cord clamping and Umbilical cord blood acid-base analysis at delivery (Fosterovervåkning under fødsel, avnavling og syre-baseprøver fra navlesnor)
- Chapter 27 Intrauterine growth restriction (Intrauterinveksthemming)
- Chapter 28 Hypertension and eclampsia in pregnancy (Hypertensive svangerskapskomplikasjoner og eklamsi)
- Chapter 29 Acute, rare and life-threatening diseases in pregnancy and delivery (Akutte, sjeldne, alvorlige tilstander i graviditet og fødsel)
- Chapter 30 Depression in pregnancy and during lactation (Depresjoner i svangerskapet og ammeperioden)
- Chapter 31 Heart disease in pregnancy and labour (Hjertesykdom og graviditet/fødsel)
- Chapter 32 Intrauterine death (Intrauterinfosterdød)
- Chapter 33 Cervical ripening/induction of labour (Cervixmodning/induksjon av fødsel)
- Chapter 34 Augmentation (Stimulering av rier)
- Chapter 35 Postterm Pregnancy (Overtidig svangerskap)
- Chapter 36 Management of pain during labour and delivery (Smertelindring)
- Chapter 37 Breech (Seteleie)
- Chapter 38 Twins (Tvillinger)
- Chapter 39 Forceps and vacuum delivery (Forløsning med tang eller vakuum)
- Chapter 40 Caesarian delivery (Keisersnitt)
- Chapter 41 Shoulder dystocia (Skulderdystoci)
- Chapter 43 Perineal rupture (Perinealruptur)
- Chapter 43 Postpartum hemorrhage (Postpartumblødning)
- Chapter 44 Placenta
- Chapter 45 Perinatal asphyxia and Neonatal resuscitation (Perinatal asfyksi og resuscitering av nyfødte)
- Chapter 46 Postpartum anemia (Barselpleie - anemi etter fødsel)
- Chapter 47 Postpartum urinary retention (Barselpleie - urinretensjon etter fødsel)
- Chapter 48 Lactation (Amning/laktasjon/morsmelkproduksjon)

National guidelines - Sweden
